*Make a statement with Cast Stone*

Versatility • Innovation • Custom Design

## Designer Series

- Stone Krete's high quality handmade cast stone products inspire sophistication in today's commercial and residential markets - the choice of architects, designers, landscapers and builders.
- Tumbled cast stone products capture the beauty of natural stone.
- Tiles are available in smooth and distressed surfaces, with sizes ranging from 4x4 to 17x17.
- Other available products include architectural precast liners crown, and cornice mouldings, columns, balustrades, edge caps, fireplaces, pool copings, wall caps, and stair treads.
- Ability to match or customize any color to meet specific needs.
- Subtle classic tones and versatility are ideal for interior and exterior applications.
